

**Welcome to another week of
learning and fun at Blackhall!**

NOVEMBER

Monday, 6th - Friday, 10th November

Monday, 6th November is National Saxophone Day

- The Saxophone is a woodwind instrument that was developed by a Belgian instrument designer by the name of Adolphe Sax in 1846.
- He wanted to create the most powerful and adaptable brass woodwind instrument
- While it was initially developed to be used in classical music, the saxophone is used in just about every type of music.

Monday, 6th November

- Welcome to our International Student visitors today!
- Let's show them how we learn at Blackhall!

Tuesday, 7th November is National Hug a Bear Day.

- Cuddle up with your favourite teddy on Hug A Bear Day.
- This is a great way to feel safe, secure and happy.

Tuesday, 7th November

- It is the turn of P5P pupils to have some swimming lessons this morning.
- Have fun!

Tuesday, 7th November

- Welcome again to our International Student visitors today!
- Let's show them how we learn at Blackhall!

Tuesday, 7th November

- Karate Club before school this morning.
- 8am in the small hall.

Wednesday, 8th November is World Radiography Day

- The X-Ray was discovered by accident, by Wilhelm Röntgen in 1895.
- He was attempting to find out if certain rays could pass through glass.
- Nearby there was a chemically coated screen, that started showing an odd glow.
- They didn't know what these rays were so they called them "X-Rays."

Thursday, 9th November is World Freedom Day

On this day in 1989, the Berlin Wall was brought down in Germany.

This marked the beginning of freedom for many people in East Germany.

Can you find out any other facts about the Berlin Wall?

Thursday, 9th November

Bingo Ball numbers:
11 and 16.

It's your turn to come
and share your learning
with Mrs Martin or Mr
Gardner.

Thursday, 9th November

P6 and P7 have running club this lunchtime with Mr Gardner, Ms Trail and Ms Mitchell. Have fun in the park!

Friday, 10th November is World Science Day for Peace and Development!

KULFY WORLD
SCIENCE
DAY
FOR PEACE AND
DEVELOPMENT
SCIENCE FOR GLOBAL UNDERSTANDING

- Today is the day to think about scientific developments that make the world a more sustainable and peaceful place.

**Have a great
weekend!**
